September 23 – 25, 2016

Howard County Center for the Arts, High Ridge Rd, Ellicott City, MD

## General seminar information:

The class fee is \$40/class for CBDP members + the cost of the tutorials and required surface for the Friday Pansymania class. Non-CBDP members must pay an additional \$10 per class. This fee does not include ANY other class materials such as pencils, pastels and watercolors for the backgrounds.

All class materials can be ordered directly from Janelle Johnson on her website. Extra Stonehenge paper for Pansymania (one sheet included in the class fee), watercolor paper and the metallic swirl paper, pencils, watercolor palette and pastels for backgrounds, and other materials are available. You are responsible for ordering your class materials. You may supply your own Arches 140 lb watercolor paper for the Saturday and Sunday classes – size listed with each project or you can purchase it from Janelle.

Click on the seminars tab, scroll down to the September 23-25, 2016 seminar and click the “Order supplies here” link. Be sure to use **CBDA** in the coupon code so you are not charged for shipping.

If you order all the materials listed for each class your additional costs for each class will be:

Pansymania \$36.40    Look Into My Crystal Ball \$30.25    Red n Yellow, Black n White \$34.20

Some of the same pencils are used for multiple classes so your actual costs may be less if you choose pencils carefully for each class.
